The other payment frequency options are weekly (40), fortnightly (20) or monthly (10) instalments per annum. If choosing to pay by instalments, all fees and charges are to be paid in full by end of November each year.

PAYMENT METHODS

Fees can be paid by Cash, Cheque, EFTPOS, Credit Card, Direct Debit, BPay, Direct Deposit and Centrepay.

DISCOUNTS AND CONCESSIONS

The following discount for payment in full before the end of Term 1 will apply for each of the following years:

Year	Discount Percentage
2024	8%
2025	7%
2026	6%
2027	5%

Note: The above discounts percentages apply to the Annual Tuition Fee only (after any concessions) if all fees are paid in full before the end of Term 1.

Payment in full via Direct Debit by 30 November:

A 2.5% discount will be applied to the Annual Tuition Fee (after any concessions) when fees are paid via Direct Debit over the school year and the account is cleared by 30 November and no arrears exist. The discount will be applied to the final payment.

Health Care Card Concession (HCC):

Families which have a student or students eligible to receive the Camps Sports Excursion Fund (CSEF) will be eligible for the following concessions from the school fee account depending upon the number of eligible students attending the College:

	Total Family Concession Amount
Single Student eligible	\$ 1,949
Two Students eligible	\$ 3,028
Three or more students eligible	\$ 3,625

To be eligible families must have applied and received the CSEF for the student through the school.

The HCC concession will be applied in proportion to the debtors current responsibility for the fees (e.g. if responsible for 50% of fees and eligible for the HCC concession they will receive 50% of the HCC concession amount only).

For existing families who are eligible the concession will be applied prior to issuing fee statements to families each year.

New families will need to make application for the CSEF and if eligible the concession will subsequently be applied to their school fee account.

This concession is in addition to the CSEF amount received from the government.

Financial Hardship/Fee Remission:

Any families who are experiencing hardship in meeting their school fee commitments are asked to contact the Finance office to discuss the options available to them. In circumstances of financial hardship a reduction in the amount of school fees payable (Fee Remission) may be considered upon receipt of a written application from the parents.
